Attorney Docket Number: 13076-002001

Dear Commissioner:

Responsive to the decision dated December 5, 2006, petitioner renews the Petition to Withdraw Notice of Abandonment filed August 28, 2006, supplemented by the accompanying Supplemental Declaration of Janine N. Goodwin with a copy of the docket record where the nonreceived office communication would have been entered had it been received and docketed.

The courtesy of Attorney Derek L. Woods in granting the telephone interview and proffering numerous helpful suggestions is acknowledged with appreciation.

We explained that the reason for the correspondence address and petitioner's differ from the correspondents address of record is that the firm recently changed its policy by having all correspondence from the Patent and Trademark Office forwarded to the Minneapolis, Minnesota address where it is electronically scanned and electronically delivered promptly to those having an interest in the communication. This change in address occurred months after May 15, 2006, the date of the Office Communication not received.

There is attached the Supplemental Declaration of Janine N. Goodwin with a copy of the docket record where the nonreceived Office Communication would have been entered had it been received and docketed, with confidential information unnecessary for supporting the petition, redacted.

Accordingly, the petition is submitted to be in a condition for granting, and granting of the petition is respectfully requested. If the Petitions Attorney is of the opinion that the petition is not in a condition for being granted, he is respectfully requested to telephone the undersigned attorney at 617-521-7014 to discuss what additional steps he believes are necessary to place the petition in a condition for being granted.

Respectfully submitted,

FISH & RICHARDSON P.C.
